a healthcare professional authorised in accordance with the legislation and regulations that apply in Belgium, freely acknowledge my membership of the Brussels Health Network and undertake to abide by the [privacy regulations](#), as published on the website at www.brusselshealthnetwork.be.

I hereby state that I have examined and am aware of the features of the Brussels Health Network and the fact that **publishing and consulting health documents via this network is only permitted in the context of the continuity of patient care.**

I acknowledge that the liability of Abrumet does not relate to the content of the health data, or to the use that is made of that data by healthcare professionals, or to the advisability of publishing these documents.

In the context of the administrative management of the Brussels Health Network, I give my consent for personal data relating to me to be stored on the server. This relates to:

- my administrative data associated with the health data of my patients,
- my administrative data required for management of the network,
- as well as records of the occasions of which I have accessed the Brussels Health Network and the health documents of patients listed on the Brussels Health Network.

This form is intended for the administrative manager of Abrumet acting as subcontractor under the terms of the GDPR on behalf of healthcare providers connected to the Brussels Health Network and I hereby request him/her to handle my registration to the Brussels Health Network.

2/ Documents to attach

Please attach a **front/back copy of your identity card** and, if you are a general practitioner, a **copy of your proof of registration with the "Garde Bruxelloise" / "Brusselse Wachtdienst"** or the FAMBG/BHAK.

When will your registration take effect?

- If you are a general practitioner, registration will only come into effect once it has been validated by a certifying doctor appointed by Abrumet.
- If you are a front-line healthcare professional, registration will only come into effect once it has been validated by your federation (if you are self-employed) or by your employer.
- If you are a healthcare professional working in a hospital, your registration is managed by your healthcare establishment.
- If you are a specialist doctor working in private practice only, please contact the administration department at Abrumet (info@abrumet.be)

In all cases, you will receive a confirmation e-mail as soon as your registration becomes operational.

The rights of the person concerned, as provided by the GDPR (right of access, right of modification, etc...) may be exercised with the data controller. However, and to enable the efficient exercise of these rights, this request may, where applicable, be sent to the Data Protection Officer at Abrumet – Brussels Health Network (dpo@abrumet.be), who will pass it on as quickly as possible to the relevant data controller to follow up on the request.
